INDECENT EXPOSURE

May 02, 2013

DETAILS:

The suspect depicted in the composite at right is responsible for two indecent exposure incidents in the last week, involving 14-year old female victims walking home from west end schools.

On Tuesday April 30, 2013 at 3:24 p.m., the two victims were walking home from **BERT LYNN MIDDLE SCHOOL** when they observed the suspect seated in the driver's seat of the suspect vehicle with the front passenger window rolled down as he chuckled at them. The suspect was holding his exposed penis with both hands and laughing. The suspect did not say anything during the incident and the victims turned away and quickly walked toward home.

On Wednesday, April 24, 2013 between 3:00 and 3:15 p.m., the lone victim was walking home from **WEST HIGH SCHOOL** when she walked past the parked suspect vehicle. As she passed by, she noticed the suspect sitting in the driver's seat at which time he yelled to her, "You're really pretty". The victim then observed through the open passenger window that the suspect had his hand on his exposed penis. The victim did not respond and continued walking; the suspect did not attempt any additional contact with the victim.
